## HAND-TO-HAND EXPRESS

THE PEOPLE HAVE A RIGHT TO VOICE AND COUNTERVOICE

~ No. 22/18: INFO-GIANT ~

### INTRO

On the occasion of the 15<sup>th</sup> Anti-Censorship Conference, the founder, Ivo Sasek, acted as an "Info-Giant" in a show which was sent live to over 20 countries. 12 different topics with maximum information – compressed to a minimum of time. Watch this 12 minutes Info-Giant Show at: [www.kla.tv/infogigant-sasek](http://www.kla.tv/infogigant-sasek). In this V&C we present six topics as an extract of this show to our readers.

Your Info-Giant Team

### Category "Ideology":

Update your world view! There are hidden abilities in us! These people are proof:

- Stephen Wiltshire: He is able to draw from his memory cities like Tokyo or Rome precisely after a 30-minute aerial view.
- Kim Peek: He has memorized 12,000 books by reading them just once.
- A Filipino: He operates without anesthesia and instruments with bare hands.
- Mirin Dajo: He is invulnerable. One could pierce through each of his organs.
- Prahlad Jani: For 70 years he has verifiably been able to survive without food and drink.
- Natasha Demkina: She can diagnose illnesses with x-ray-eyes.
- Ngoc Thai: He has not slept for the last 30 years and is as fit as a fiddle.
- Jerry Newport: He can calculate in seconds in his head for example  $4.343 \times 1.234$ .
- Emil Krebs: He mastered 68 languages in spoken and written.
- Electric men like for instance Raj Mohan Nair could operate light bulbs with bare hands, heat up water to 97 degrees Celsius, fry eggs, heat up sausages to cracking point.
- Daniel Tammet: Within 7 days he can learn the most difficult languages, calculate in his head far beyond the 22thousandth decimal.
- Jason Padgett: He can perceive the world in perfect mathematical formulas.
- Flo and Kay Lyman, the so-called Rainman twins: They can recall all details in their life, up to the weather of a specific day, television programs, eating, drinking etc. Orlando Serrell: He too can do all that.

### Category "Science":

There are numerous rigorously safeguarded secrets in all areas of science. Media also helps safeguarding. Some of these censored secrets are:

- Middle State University Tennessee: Five Tennessee students proved in 2005 that sound travels faster than light.

- Peter Davey: Water can be brought to boil with pure acoustics – within seconds.
- Matter can be caused to hover with pure sound!
- Almost all old cultures possessed knowledge of levitation (knowledge of floating technology)
- Almost all religious symbols of the early period are precise reproductions of sound-, resonance- and frequency patterns. These have been used thousands of years ago to gain energy and for levitation techniques.
- Pyramids are light activated resonance chambers producing energy and enabling levitation. For this reason old cultures and religions were so closely connected to solstices/equinoxes.
- Places without gravitation exist, where water flies upwards etc ...
- In Death Valley huge stones levitate by themselves – for miles.
- Stonehenge: Already during the New Stone Age multi-ton stones were put on top of each other like a house of cards by levitation techniques. In the same way as pyramid blocks, by the way.
- Colombian excavations dating back to the fifth century A.D.: These excavated different aircraft miniatures are 1500 years old and debunk our complete history.

### Category "Nature and Environment":

How round is the earth?

The below witnesses have either all lied, or they disprove the doctrine of earth curvature pounded into us for decades:

- Island of Corsica spotted from **159 km** distant Genoa – had not disappeared **1.8 km** below the horizon.
- Island of Gorgona spotted from **130 km** distance. Its shores were not **1,326 m** below the horizon.
- Philadelphia skyline seen from **64 km** away – was not **320 m** below the earth's curvature.
- Chicago and the skyline of New York City spotted from **97 km** – the streets were not **738 m** below the line of sight.
- Both skylines spotted already from **193 km** – their streets did not lie **3 km** below the line of sight.
- As early as 1872, a captain saw the island of St. Helena which was **121 km** away. Its shores were not **1,150 m** below the horizon.
- **Countless other islands and lighthouses** were spotted that should have vanished far below earth curvature.
- Why did the **space agency ESA notice only recently** that the earth was not a sphere at all, but a potato?
- Will they now help NASA to **dispose of their globe photos**?
- Why has the **intelligent ESA** never noticed **how the continent proportions** on NASA imagery changed drastically in some instances?

**Virus alert!** Countervoice web sites seem to be at high risk of virus attacks. Hand-to-Hand Express avoids this danger - information concise and to the point, without using the internet - Advice for all who still consult the links: never access the internet from a PC with sensitive data.

**You have important news?** Write a short Hand-to-Hand Express article. – Clearly state the major point and name the responsible people! – Sources if possible without internet! – Then send your short article to [SuG@infopool.info](mailto:SuG@infopool.info)

**Category "Politics":**

Did you already know that Queen Elizabeth ...

- ... is the biggest land owner of the world.
- She is also head of state of 31 further countries and territories.
- As a private individual she owns about 27 million km<sup>2</sup> of land. This is more than one eighth of the surface of the earth, or 75 times the surface of Germany.
- Nobody else owns whole countries.
- Her land ownership is independent from her function as a head of state.
- Her land property amounts to about 16,000 Billion Euro. So she is the richest person of the world and national laws are protecting her property.
- Most of the land she owns lies in Canada with 10 million km<sup>2</sup>, followed by 7.7 million km<sup>2</sup> in Australia, 460,000 km<sup>2</sup> in Papua New Guinea, 260,000 km<sup>2</sup> in New Zealand and 250,000 km<sup>2</sup> in Great Britain.
- Only the assets of the Rothschilds are bigger: They are estimated to 500 Trillion US \$.

As a side note: In a way, the City of London is like the finance department, the Vatican the spiritual leader and Washington D.C. the military strength of the real world power that is also concealed behind the crown.

**Category "Terror":**

Now this is more serious: People disappeared

Main witnesses mysteriously eliminated:

- Around the child trafficking ring of the serial killer Marc Dutroux (Belgium): 27 eyewitnesses murdered.
- 9/11: Eleven eyewitnesses died when they wanted to prove 9/11 was an inside job.
- In the NSU lawsuit in Germany over one dozen exonerating main witnesses died.
- 2015: Fourteen medical doctors died mysteriously within 5 weeks. All of them active opponents of vaccination!
- The clarification of the Kennedy assassination failed with the murder of 35 main witnesses.

Statistics of children mysteriously wreded by the German state:

- Between 2005 and 2016 an average of 48,000 children disappeared every year. Hence almost 390,000 children in 8 years.
- A yearly increase of up to 50% since 2013.

Administrative takings into custody of children in Germany:

- 2005 in total 26,500	- 2013 in total 42,123
- 2009 in total 33,800	- 2014 in total 48,059
- 2010 in total 36,400	- 2015 in total 77,645
- 2011 in total 38,500	- 2016 in total 84,230

- Already back in 2013, 750,000 people worked in the area of child and youth care, this is more than in the entire automobile industry in Germany.

- Cost for the Germans in 2013 alone: **37,985 billion Euro:** 35.5 billion for child and youth care (of which 8.7 billion for educational support, of which again 4.7 billion for takings into custody). Further expenses: 0.785 billion for socio-educational family support. 1.7 billion for measures and institutions of youth work.

**Conclusion:**

*The state's grip on our children is big business.*

**Category "Media":**

And now "60 seconds" on our own account: Daily routine crimes of so-called quality media against Ivo Sasek, which caused him to found V&C, AZK, KLA.TV and more:

- Hundreds of articles of bottomless dishonesty against Sasek in over 300 newspapers and internet portals
- Defamation in more than 50 TV and radio broadcasts (repetitions not counted)
- Works by Sasek attacked by media culminating in a complete boycott of 9 big movies, 3 musicals, 8 oratories, 26 books (among them two specialist encyclopedias), around 2,000 lectures, 46 documentary films, hundreds of songs etc.
- Many halls refused, film locations, some only hours before start of shooting
- The systematic smear campaign by the media resulted in a complete removal of his works from all interested schools, cinemas and cinema chains, all film festivals and distributors, culminating in refused deliveries of paper and technical material.

All of this along with vandalism against Ivo Sasek's cars and family, up to attempted murder by the cutting of valves and tires, the loosening of wheel nuts etc. And the recent denials of credits by all major banks despite multiple securities are nothing but the icing on the cake.

**Closing Point •**

*Whether Info-Giants-Show or Info-Giants-V&C – It is essential to spread the information among the people in order to rouse them. So do not spare any effort condensing your information to a minimum of words and send them in to the V&C editors; nobody has any time left to read long treatises! Top is he who can tackle e.g. 30 news items within 60 seconds. He who can manage this as Ivo Sasek did, will make it into an Info-Giants Show. Enlightened people will be your reward.*

*Your Info-Giants Team*
